Additional Information

* During private rental, the number of tubing runs and electric tubing rides is **UNLIMITED** and only depends on the rental duration.

** The tubing slide is a tube ride with a total height of approximately **7 meters** and a length of about **60 meters**, including a banked turn. It is a fun and exciting activity for **children and adults aged 3 to 99**. The slide operates well in all weather conditions.

*** The electric tubing ride is a **unique attraction, the first of its kind in Europe**. A cable pulls **four tubes** along a dedicated track with turns and obstacles. The operator adjusts the speed according to the participants' age and preferences. Suitable for **ages 5 to 99**.
